

Alaska Flounder

WILD YELLOW FIN SOLE

Alaska Flounder

A spectacular seafood product with extreme versatility, American Pride Seafoods' Alaska Flounder fillets are harvested in the cold waters of the Bering Sea. Flounder is arguably one of the most recognized, universal species in the seafood market with substantial presence in all regions.

American Pride's wild caught Alaska Flounder is a flaky, white, lean fillet with great taste and is attractive to multiple market segments and applications. These fillets are a great source of protein and easy to prepare.

With such extreme versatility, Alaska Flounder is sure to capture the simplest to the most extravagant seafood plate on any menu. Alaska Flounder performs well baked, breaded and fried, broiled, pan seared, stuffed or grilled. Plate mix and complimentary sides are limitless giving Chef's a wide range of creativity in designing that signature dish.

Among an extensive product line and species mix, American Pride Seafoods is proud to offer Alaska Flounder. Allow us to assist you in serving your patrons a high quality, great tasting Flounder they are sure to enjoy.
